

ASIA LEDSPARTNERSHIP

Advancing low-emission,
climate-resilient development across Asia

Asia LEDSPARTNERSHIP Forum 2013— Reflections

Asia LEDSPARTNERSHIP Forum
October 1-4, 2013
Manila

USAID
FROM THE AMERICAN PEOPLE

ASIA

Emerging Themes

- Prioritization: economic growth, adaptation, mitigation
- Need for improved pathways to deliver technical information, case studies, etc.
- Stronger systems for engagement, participation, and leadership
- Strong interest in special topics like benefits analysis, public financing, sector-specific issues
- Engaging subnational, private sector, other key stakeholders

Key Actions and Next Steps

- Follow-up M&E for this meeting
- New Asia LEDS Partnership Work Plan for 2014
 - Technical activities, training and capacity building events
 - Increased emphasis on communication, coordination, and delivery systems
 - Focus on increasing linkages to key stakeholders
- Increased empowerment, leadership roles for Asia-Pacific members/partners
 - Expanding support to Secretariat
- Increased outreach and membership

Thank you!
